

Haikus for Palestine

Zionism

Bombs rain from the sky,
Innocence shattered, we cry,
Zionism must die!

Wake up!

Innocence laid low,
Arise, let justice's winds blow,
Wake up, let us show!

Dear Brothers

Innocence in plight,
Muslim brothers, out of sight,
Your silence is not right!

Martyr

In tyrant's cruel reign,
Palestinian souls remain,
Alive, not in vain

Land of the Tales

Land of Ancient Tales,
Palestinian spirit sails,
Through every gale.

Dear Palestinians

Palestinians,
In your homeland's ancient song,
Stand tall, fight the wrongs.

Resilience

Amidst ancient sands,
Palestinian hearts withstand,
With strength, hand in hand!

A Beacon of Hope

Amidst tears and fears,
Love's stream flows through the years,
Palestine's hope nears.

Palestine Will be Free!

River to the sea,
Palestine's longing, hearts plea,
Palestine, you'll be free!
