#### AIMS & SCOPE OF IUMENGINEERING JOURNAL

The IUM Engineering Journal, published biannually, is a carefully refereed international publication of International Islamic University Malaysia (IUM). Contributions of high technical merit within the span of engineering disciplines; covering the main areas of engineering: Electrical and Computer Engineering; Mechanical and Manufacturing Engineering; Automation and Mechatronics Engineering; Material and Chemical Engineering; Environmental and Civil Engineering; Biotechnology and Bioengineering; Engineering Mathematics and Physics; and Computer Science and Information Technology are considered for publication in this journal. Contributions from other areas of Engineering and Applied Science are also welcomed. The IUM Engineering Journal publishes contributions under Regular papers, Invited review papers, Short communications, Technical notes, and Letters to the editor (with publication charge)

#### REFEREES' NETWORK

All papers submitted to IUM Engineering Journal will be subjected to a rigorous reviewing process through a worldwide network of specialized and competent referees. Each accepted paper should have at least two positive referees' assessments.

#### SUBMISSION OF A MANUSCRIPT

A manuscript should be submitted online to the IUM-Engineering Journal website:
