II. Plagiarism Issues

The manuscript must represent original work by the author(s). None of the material should be covered by any copyright; if copyrighted material exceeding approximately 100 words from a journal article or approximately 500 words from a book is used, the author has obtained written permission for its use. Further, this work should not infringe any intellectual property rights/secretcy laws of any person/organization/government/public or private agency, nor should it contain any defamatory matter.

IIUM Press does not bear any responsibility for verifying copyright permissions provided by the author. Any breach of copyright laws will result in retraction of the published article/material **as well as reporting to relevant authorities at the authors' institutions.**

I, the corresponding author, testify that all of the content, figures (drawings, charts, photographs, etc.) and tables in the manuscript are either my/our original work or work for which permission to re-use has been obtained.
