INTERNATIONAL MEDICAL LABORATORY AND HEALTH SCIENCES SYMPOSIUM (IMLHS2024)

4 SEPTEMBER 2024

Virtual Conference via Webex

OPENING CEREMONY

SPEECH BY DEAN OF FACULTY OF HEALTH SCIENCES

- Assalamu'alaikum warahmatullahi wabarakatuh and a pleasant morning to all distinguished audiences, participants, esteemed colleagues, honoured speaker, ladies, and gentlemen.
- I'm Profesor Dr. Zulkhairi Amom, Dean of Faculty of Health Sciences, UiTM Selangor, Puncak Alam campus. It is my great pleasure to warmly welcome all distinguished participants to the International Medical Laboratory & Health Sciences Symposium 2024 with the theme
“Transforming Healthcare Through Innovation and Collaboration in Medical Laboratory & Health Sciences”.
- IMLHS2024, which is organised by the Centre for Medical Laboratory Technology Studies aims to offer distinctive collaboration among academia and industry, while cultivating professional abilities in undergraduate students with a focus on research, innovation, and design. This symposium is a unique platform designed not only to present the latest research and breakthroughs but also to foster meaningful dialogue, exchange ideas, and forge new partnerships. It is through these collaborative efforts that we can push the boundaries of what is possible in healthcare, ensuring that we continue to improve patient outcomes, enhance diagnostic capabilities, and contribute to the overall well-being of society.
- I am grateful to Professor Dr. Nor Fadilah Hj Rajab of the Faculty of Health Sciences UKM for consenting to speak as the event's keynote speaker. Without a doubt, the knowledge that will be discussed today will motivate and direct our future efforts to emphasize the vital role that medical laboratories play in innovation and collaboration.
- I would like to take this opportunity to extend my heartfelt gratitude to the organising committee for successfully hosting IMLHS2024 and also to our honourable judges who have graciously dedicated their time and expertise to be with us today. The dedication and hard work are evident in the impressive program we have ahead of us.
- In closing, I encourage each of you to make the most of this symposium. Participate actively, share your knowledge, and seize the opportunities for collaboration. Together, we can make a lasting impact on the future of healthcare.
- With that, I officiate the opening ceremony of International Medical Laboratory & Health Sciences Symposium 2024.
- Thank you

TENTATIVE PROGRAM

Program Tentative

International Medical Laboratory and Health Sciences Symposium (IMLHS2024)

04/09/2024, Wednesday	
Room	Main Room
8.30-9.00 am	Registration
9.00-9.30 am	Opening Ceremony by Dean of Faculty of Health Sciences Professor Dr. Zulhairi Hj Amom
9.30-10.30 am	Keynote Lecture Speaker: Professor Dr Nor Fadilah Hj Rajab (UKM) Title: Revolutionizing Healthcare: The Vital Role of Medical Laboratories in Innovation and Collaboration
10.30 - 11.00 am	Coffee Break
Room	Breakout Room 1 - Room 4
11.00 am - 12.45 pm	Oral Session 1 15 mins per presenter; 5 presenter per room Room 1: GMBD Room 2: NNP1 Room 3: DT1 Room 4: MLT
1.00 - 2.30 pm	Lunch Break

Room	Breakout Room 1 - Room 4
11.00 am - 12.45 pm	Oral Session 1 15 mins per presenter; 5 presenter per room Room 1: GMBD Room 2: NNP1 Room 3: DT1 Room 4: MLT
1.00 - 2.30 pm	Lunch Break
Room	Breakout Room 5 & Room 6
2.30 - 3.30 pm	Oral Session 2 15 mins per presenter; 5 presenter per room Room 5: NNP2 Room 6: DT2 Room 7: NNP3
3.30 - 5.00 pm	Closing and Award Giving Ceremony (Main Room)

Note:

- GMBD: Genetics and Molecular Biology of Disease
- NNP: Nutrition and Natural Products
- DT: Digital Technology
- MLT: Medical Laboratory Testing

SPEAKER PROFILE

- Professor Dr. Nor Fadilah Hj Rajab is a professor in Molecular Biochemistry and Toxicology at Center for Healthy Aging and Wellness at the Faculty of Health Sciences, UKM. She previously held the position of Deputy Dean of Research and Innovation at the Faculty of Health Sciences, UKM.
- She is also the Advisor for Malaysian Society of Toxicology (MySOT) and President of Malaysian Biomedical Science Society (MyBiomed).
- Prof. Dr. Nor Fadilah research interest is Molecular Biochemistry as well as Genetic Toxicology in Health Sciences primarily focusing on studies related to natural products, chemicals and environmental samples such as nanoparticles. For information, she has more than 188 publications in impact journal, 10 books and 12 chapters in books, published in her area of interest.

CONFERENCE COMMITTEE IMLHS 2024

Post	Name
Advisor	Dr. Wan Shahrman Yushdie Wan Yusoff
Chairperson	Dr. Evana Kamarudin
Co-chairperson	Dr. Nur Ayunie Zulkepli
Treasurer	Dr. Mohd Nazri Abu
Secretary	Pn. Khairussulhi Jalil
Scientific Committee - Invite Keynote Speaker	Lead Guest Editor 1: PM Dr. Wan Mazlina Md Saad Lead Guest Editor 2: Dr. Emida Mohamed Lead Guest Editor 3: Dr. Maimunah Mustakim Lead Guest Editor 4: YM Prof. Madya Dr. Tengku Shahrul Anuar Tengku Ahmad Basri 1 from each co-organiser
Program & Protocol	Dr. Norhisham Haron Pn. Noraisyah Mohamad Yaakop
Registration	Pn. Hartini Yusof Pn. Azlin Sham Rambely
Food	Dr. Mazura Bahari Pn. Badatul Shafina Badrudin
Technical	Dr. Mohd Fadly Md Ahid En. Mohd. Shukree Jafri Sham
Publication & Promotion	En. Mohd Fahmi Mastuki Cik Salina Shafie
Gift & Certificate	PM Dr. Siti Nazrina Camalxaman Pn. Masmadianty Muhammad
Special Task & Sponsorship	Pn. Iadah Elias Pn. Aziyana Zainol
