Department of Community Nutrition, Faculty of Human Ecology, Bogor Agricultural University, Bogor, Indonesia-16680.

ABOUT THE JOURNAL

International Journal of Allied Health Sciences, is a peer-reviewed, English-language scholarly online journal, published biannually by the Kulliyah of Allied Health Sciences, International Islamic University Malaysia

OBJECTIVES

The main objectives of this journal are to;

- nurture the Allied Health Sciences Professionals in their research dissemination/article writing.
- provide a chance and to review/share knowledge in the related research and professional interest.
- facilitate academics and researchers to elevate their intellectual level interacting through this journal.

AREA OF COVERAGE

This journal will provide an avenue for academics to enhance their intellectual level by reviewing and submitting research articles. This journal broadly covers disciplines namely Nutrition and dietetics, Medical Imaging, Biomedical Sciences, Physiotherapy, Speech and audiology, and Optometry. Furthermore, it covers the sub-disciplines within Nutrition and dietetics (Anthropometric, Biochemical and clinical Nutritional Status Assessments, etc.), in Medical Imaging (Radiographic Techniques, Body, Breast, Musculoskeletal, Cardiovascular, and Paediatrics Imaging), Biomedical Sciences (Biochemistry, Bioinformatics, Immunology, Biomedical Engineering, Biophysics, Biotechnology, Cell Biology, Embryology, Endocrinology, Genetics, Medicinal/Pharmaceutical Chemistry, Microbiology, Parasitology, Pharmacology, Physiology, and Toxicology, etc) Physiotherapy (Rehabilitation, Physical Therapy, and Physiotherapy, etc), Speech & Audiology(Clinical Audiology, Educational Speech-Language Pathology, and Speech Therapy, etc) and Optometry (Clinical, Industrial Optometry and issues on Optometry, etc).

MODE OF PUBLICATION

International Journal of Allied Health Sciences (IJAHS) is published biannually with special issues depending on conferences etc. It is only available online in PDF format.

MANUSCRIPT SUBMISSION

As part of the submission process, authors are required to check off their submission's compliance with all of the following items, and submissions may be returned to authors who do not adhere to these guidelines.

- The submission has not been previously published, nor is it before another journal for consideration (or an explanation has been provided in Comments to the Editor).
- The submission file is in OpenOffice, Microsoft Word, RTF, or WordPerfect document file format.
- Where available, URLs for the references have been provided.
- The text is single-spaced; uses a 12-point font; employs italics, rather than underlining (except with URL addresses); and all illustrations, figures, and tables are placed within the text at the appropriate points, rather than at the end.
- The text adheres to the stylistic and bibliographic requirements outlined in the [Author Guidelines](#), which are found in About the Journal.
- If submitting to a peer-reviewed section of the journal, the instructions in [Ensuring a Blind Review](#) have been followed.

PUBLICATION ETHICS

The authors are expected to properly quote and give full credibility to the source. Furthermore, take written permissions where the photograph and figures used might be the source/reason for a violation of copyrights. The prospective authors are advised to visit the blog on ethics of the Committee on Publication Ethics (COPE) (<http://www.publicationethics.org/>)

PUBLICATION POLICY

The International Journal of Allied Health Sciences (IJAHS) is an open-access online journal based on the OJS system. All content in it is freely available without charge to the user or his/her institution. Users are allowed to read, download, copy, distribute, print, search, or link to the full texts of the articles in this Journal without asking prior permission from the publisher or the author. This is by the BOAI definition of open access.
